439

Magni series is for the new, modern tradesman not willing to compromise between style and function. We use our knowledge from creating outdoor and expedition apparel in sportswear and combining this with almost 140 years of workwear experience to push our boundaries. This is our top of the line shell jacket for the worker seeking ultimate protection and comfort. 3-layer Helly Tech® Professional is perfect in any weather, keeping you dry

during any work without compromising breathability. Cordura® fabric reinforced shoulders and elbows for maximum durability, loops for easy use with gloves, draft skirt for protection against wind and inside adjustment makes this jacket ideal even in the harshest conditions.
